

## Annual Fee Definition

Annual Fees are fees that are required to be paid in full at the time of billing. These fees cannot be added to the monthly draft.

### New Student Application Fee

A \$100 non-refundable fee paid by first time students in K3-12th when submitting the application to attend.

### Returning Student Re-Enrollment Fee

Annual non-refundable fee paid each spring by returning students in K3-12th to inform the school of your intent to return. Must accompany re-enrollment forms.

### Registration Fee

Annual non-refundable fee that registers your child in annual benefits provided by the school such as student accident insurance, accreditation, RightNow Media, etc.

### Curriculum & Resource Fee

Annual non-refundable fee that covers textbooks, instructional materials, student classroom supplies, fine arts supplies (including art and music), yearbook and more. There is a technology portion to help maintain and upgrade crucial classroom technology.

For the Middle School and High School the resource fee includes one set of P.E. uniforms, class dues, and the Spiritual Emphasis events. Fees include the rental costs of a Chromebook laptop that are issued to each 9th-12th grade student for usage in the classroom.

## Incidental Fee Definitions

### Graduation Fee

Fee paid by high school seniors to cover some of the costs of graduation such as cap and gown, diploma, honor cords, and the reception.

### Sports Fee

Paid by each athlete once added to the roster of a team.

### Early Withdrawal Fee

Students are considered enrolled for the entire school year; therefore, budgets and teacher contracts are set accordingly. The early withdrawal of a student creates an opening which SMCS may not be able to fill with a viable candidate.
